

Stickiness

I'm allergic to stickiness
It makes me come out in spots
It's seems like I'm surrounded
By lots and lots and lots and lots and lots
Of stickiness

I don't like sticky fingers
I don't like sticky toes
When I get to close to it
I cough and sneeze and wheeze and get a runny nose

Oh stickiness. Gets all over.
Stickiness Stay away from that sofa.
Stickiness
If that's a loaf of bread that's alright coz I don't mind crumbs

Doo doo bee doo doo, doo bee doo doo, doo bee doo doo. X4

I don't know how or why
It seems to follow me
From the bottom of the Great Slave Lake (deepest lake in Canada)
To the top of the highest peak (that's Mount Logan, in the Yukon)

Oh stickiness. I'll get a tissue.
Stickiness. And some spit too.
Stickiness
I'm gonna dab all round your mouth and embarrass you in front of all your friends

It might be jam or honey,
It might be a bottle of pop
I'm starting to feel a bit queasy
So can we please just stop

Oh stickiness. One more time now.
Stickiness. I wish I knew how.
Stickiness
Could be a source of good in the world
(Lori Nancy) Why don't we all just stick together
(Tim) That's right, let's just stick together
And fight evil and greed and corruption and make the world better
(Lori Nancy) You've changed genre from humour to message but whatever.
(Tim) Lets just sing it together
Doo doo bee doo doo, doo bee doo doo, doo bee doo doo. X4

In his song "Stickiness", Sing Along Tim mentions the name of the deepest lake in Canada.

What is the name of the deepest lake in Canada? _____

Can you find it on the map?

What province or territory is it in?

What is the largest lake in Canada?

What province or territory is it found in?

Find the "Great Lakes" on the map.
Write down their names.
